

The Gravesend Model Marine and Engineering Society

Hon. Secretary Patricia Filley 01474 363823

4 Palmer Avenue

Gravesend Kent DA12 5NG

Welcome, and thank you for your interest in the Society.

The membership application pack contains this letter, a copy of the Society Constitution (rules) and should you want to proceed, also, an Application for Membership form.

You will see from the rules that the membership process is straightforward. A prospective member submits a completed Application Form and attends three formal meetings held at 8pm on the fourth Saturday of most months at our Clubhouse which is at our track site. The dates of these meetings and the topic for each evening are available on our web site. You are most welcome to come along if you are able. Acceptance is decided by a vote of Members. A one off joining fee of £5 is then payable with the annual subscription, currently of £30 for 'standard' adult members. Please see the rules for family / junior / country membership details.

You will probably have seen from our web site that the Society has a dual gauge track of about 370 metres (1200 feet) situated at the Cascades Leisure Centre, Thong Lane, Gravesend. If you would like to have a chat, some members are usually present at the track on Wednesday and Sunday mornings (about 10:00 to 12:00, weather permitting). We also run for the public every Sunday afternoon from 2pm until 5pm during British Summer Time (approximately April to October). This is a good time to see what we do and speak to members.

As with most clubs the major interest of Members is related to locomotives, although some have traction engines or stationary engines and most have a broad spread of interests and expertise.

Should you require any further information, please don't hesitate to get in touch either by email to geoff@gmmes.co.uk or by post / phone to the above address / number.

We look forward to meeting you in the near future.

Yours sincerely

The Gravesend Model Marine and Engineering Society.
